Your occasion.
Your outfit plan.

A little planning before you get dressed — or add to cart.

01 Start with the occasion

Occasion & setting

Date & time

My total budget · ₹

Weather / dress code / mood

02 Build the look from what you own

PIECE	ALREADY IN MY WARDROBE	NEED TO FIND / BORROW	BUDGET / PRICE
Outfit			₹
Footwear			₹
Accessories			₹
Bag / extra layer			₹

03 The details that matter

Fit & measurements

Fabric & comfort

Delivery / time buffer

Use this sheet for your own notes. Leave a price blank until you have checked it.

Before you say “this is the look.”

Check the full outfit, the full price, and the small print.

04 Style & comfort

- [ ] Try the outfit with the shoes, bag and accessories you plan to wear.
- [ ] Sit, walk and move in it. Note any fit or comfort changes you need.
- [ ] Check the fabric, lining and coverage in the light you will be in.
- [ ] Take a quick mirror photo. Decide what to keep, simplify or swap.

05 Price, delivery & returns

Before paying

- [ ] Check the current price for the exact size, colour and item.
- [ ] Include delivery and any other stated charges in the total.
- [ ] Check the delivery estimate against your occasion date.
- [ ] Read this item’s return / exchange terms and any conditions.
- [ ] Save the order details and note the return deadline, if any.

06 My decision

- [ ] Wear what I own
- [ ] Find the missing piece
- [ ] Keep looking

For next time
